FIFTY-SECOND ANNUAL MEETING
OF
THE PRESBYTERIAN HOSPITAL OF
THE CITY OF CHICAGO

The fifty-second annual meeting of the Hospital Society was held in the Chapel of the Hospital on Wednesday, January 16, 1935, at 12:15 P. M. Luncheon was enjoyed by the forty-five members and guests present.

Mr. Alfred T. Carton, President of the Hospital, presided, and Mr. Fred S. Booth, Assistant Secretary, recorded. The invocation was rendered by Reverend Edward N. Ware, Chaplain of the Hospital.

The minutes of the annual meeting held January 17, 1934, and of the special meeting held December 19, 1934, were, upon motion duly made, seconded and carried, approved.

New By-Laws of the Hospital as proposed in writing and approved at the regular monthly meeting of the Board of Managers in December, 1934, to take the place of the existing constitution and by-laws, were submitted in printed form to the meeting by the President. Upon motion duly made, seconded and carried, the proposed By-Laws were adopted as the By-Laws of the Society.

The following were then nominated as members of the Society under the new By-Laws:

Harrison Ray Anderson	Charles H. Hamill
Horace W. Armstrong	W. Clyde Howard
Harold L. Bowman	Edward D. McDougal, Jr.
Henry S. Brown	John McKinlay
Arthur G. Cable	Fred A. Poor
Alfred T. Carton	Theodore A. Shaw
Albert B. Dick, Jr.	Solomon A. Smith
William A. Douglass	Robert Stevenson
John B. Drake	John Timothy Stone
Albert D. Farwell	R. Douglas Stuart
James B. Forgan, Jr.	J. Hall Taylor
Charles B. Goodspeed	John P. Welling
Alfred E. Hamill	

There being no further nominations, on motion duly made, seconded and carried, the nominations were closed and the Secretary was directed to cast a unanimous ballot of the members of the Society present for the election of those nominated as members of the Society. The ballot was duly cast, and the persons named were declared to have been elected members of the Society.

Upon report of the Nominating Committee and on motion duly made and seconded, it was unanimously RESOLVED, That the Secretary be directed to cast a unanimous ballot of the members of the Society present for the election of Messrs. Albert D. Farwell, James B. Forgan, Jr., Alfred E. Hamill, Charles H. Hamill, Solomon A. Smith and John Timothy Stone as members of the Board of

Managers in the Class of 1938, to serve for the term of four years and until election of their successors. The ballot was duly cast, and the persons named were declared to have been elected Managers for said term.

Mr. Asa S. Bacon, Superintendent of the Hospital, spoke briefly of the work of the Hospital, stating that 10,569 patients were cared for in beds and that over 20,000 received treatment at the Hospital during the year. He added that since the opening of the Hospital in 1883, 301,800 had been cared for in beds and nearly a million had received Hospital treatment. Last year 2,077 children under fourteen years of age entered the Hospital, of which number 957 occupied free beds, some of which beds were endowed by Sunday Schools in this locality. Of the total patients cared for in the Hospital during the year, 27 per cent were free patients. Efforts were continued to keep the Hospital equipment up to date so far as possible with the funds available. Ten new anesthesia machines, centrally controlled, were purchased to replace ten old styled machines that had been in use for many years and a pavaex machine was installed for vascular disease patients. The old buildings on Harrison Street and the east side of Hermitage Avenue were razed and trees planted on the Hospital grounds and the remaining buildings on the south side of Congress Street painted, in an effort to improve the general appearance of the Hospital's surroundings.

Miss M. Helena McMillan, Superintendent of Nurses and Director of the School of Nursing, in her report to the Society stressed the need, when the opportunity comes, of increasing the number of Endowed Nurses by additions to the Endowment Fund. During 1934, the four permanently endowed nurses alone served 830 patients and a total of 1,332 patients were served by the endowed and maintained nurses. During the year there were an average of 94 advanced students in the school, 25 new students were accepted and 50 graduated. A graduate nursing staff of 109 was maintained on duty in the Hospital and 8 graduate and 12 student nurses carried the burden of 11,123 patients in the operating rooms.

Miss Karla Jorgensen, of the Social Service Department, outlined the results accomplished by the three people in this very important branch of the Hospital service; stating that 44 per cent more patients were contacted during the year than in 1933, namely 1,546, about half of whom were referred by the staff doctors. Over 1,000 home calls were made and 6,000 office conferences held.

Mr. Solomon A. Smith, Treasurer, presented the report of audit for the year prepared by Messrs. Arthur Young and Company, certified public accountants, showing a profit of approximately \$20,000, after deducting \$177,000 for charity and educational work. The income from endowments and donations amounted to \$176,000, approximately balancing the amount of charity work. The report of audit was received and approved and the hospital staff complimented on the results accomplished in the face of existing conditions.

The President read his report which is printed elsewhere in the Annual Report. There being no further business, the meeting adjourned.

FRED S. BOOTH,
Assistant Secretary.

WILLIAM A. DOUGLASS,
Secretary.

REPORT OF THE PRESIDENT

TO THE MEMBERS OF THE SOCIETY:

The year 1934 is noteworthy for an upturn in the use by the public of your Hospital after the restriction while passing through the worst years of the economic depression. For a long period many people, who would ordinarily have sought medical relief at their own cost, did not avail themselves of the private pavilion. The care of the sick poor—the controlling purpose of your Society—was limited by lack of funds. The same high standard of service that has always characterized your Hospital, has been maintained. With improving conditions, the use of its facilities again seasonally approaches capacity.

May I again pay a tribute to the efficient unselfish work of the staffs—medical, nursing and administrative. In contrast to many business organizations, the demands made on hospitals by the sick poor are more pressing in bad than in good times. The staffs have unstintingly met these demands. The only limit has been that of a sound financial policy.

During the year a settlement was effected with the guardians of the estate of Elizabeth Spalding McElwee by leave of court, covering the provision she had made for the Hospital some years ago. As a result of this settlement, payment was made of the balance of the indebtedness incurred in the purchase of land across Hermitage Avenue, and \$39,040.63 added to the General Endowment Fund and designated one-half for the late John B. Lord and one-half for the late John W. Scott whose legacies had been previously applied to this indebtedness. Other additions to the Endowment Fund were:

Bequest of the late Clara Crouse Bartlett—the Mrs. Charles Leffingwell Bartlett bed	\$ 5,000.00
Mary Byrne Room (Alumnae of the School of Nursing)	955.96
Child's Free Bed (Woman's Board)	892.23
Bequest of the late Sallie E. Aiken	614.94
Gladys Foster Nurse Fund (Woman's Board)	139.96

The Woman's Board also completed its Permanent Linen Fund of \$25,000. Income from this Fund has already been received.

The report of your treasurer, Mr. Solomon A. Smith, reflecting the annual audit of Messrs. Arthur Young & Co., again shows an operating profit after absorbing all maintenance items, providing for payment of all accounts payable, and setting up reserve for slow accounts receivable. It should be noted, however, that, in accordance with the usual accounting practice of similar institutions, the only specific reserves on the books of the Hospital are in connection with accounts receivable and furniture and fixtures. The books do not show any such reserve for obsolescence and depreciation as looms so large in the accounts of business enterprises and is there frequently reinvested in fixed assets. In the absence of such a reserve, it is essential to the sound financial condition of the Hospital that a surplus or contingent fund be created to provide for replacement of machinery and fixtures and for the remodelling that becomes necessary from time to time with the improvements in the practice of the sciences applied in the Hospital. It is

true that much work of this character is carried on each year as current expense, but there are occasions when the receipts currently budgeted are insufficient. It has always been the policy of the Board of Managers, not only to balance the budget currently, but also to accumulate such a surplus or contingent fund. Several years ago this fund was absorbed in erecting the connecting link between the Jones Building and the private pavilion, the cost substantially exceeding the estimate. Since then, the times have not permitted of the creation of a large contingent fund. The Hospital is faced in the near future with replacements of elevators and in the power plant, and with extensive remodelling in the upper part of the Murdoch building to provide needed space for X-Ray, laboratories, operating rooms, etc. The changes proposed by your Superintendent, Mr. Asa S. Bacon, and his assistant, Mr. Herman Hensel, will improve the medical, pediatric and obstetrical departments as well as the special departments mentioned. Every effort will be made to accumulate the necessary funds from current business, but it is believed that some new funds should be provided.

The report of Miss M. Helena McMillan, Superintendent of Nurses and Director of your School of Nursing, is referred to in connection with this report. The omission of a spring class of preliminary student nurses for two years has required additions to the graduate nursing staff. The patients' examination service has also been improved and enlarged. A successful effort was made this fall to obtain a larger entering class of student nurses.

Dr. Arthur Dean Bevan retired during the year as Chief of the Surgical Staff after many years of distinguished service. He is succeeded by Dr. Vernon C. David who has been for some years President of the Medical Staff of the Hospital.

We lost during the year by death Dr. Charles A. Parker, a faithful member of the Medical Staff, and Mr. William E. Sharp, a valued member of the Board of Managers, who had rendered active service for a number of years in many capacities.

Mr. John McKinlay was elected a member of the Board of Managers, and Dr. Harrison Ray Anderson was elected a member of the Clerical Board to take the place of Dr. John Timothy Stone who continues to be a member of the Board of Managers.

In conclusion, I desire to express the grateful appreciation of the Board of Managers for the splendid work of the Woman's Board during the year. Their activities are too many to enumerate. They represent the Hospital in the churches and to the public generally, both individually and through their special interest in the library, and the departments of physical and occupational therapy and social service.

Respectfully submitted,

ALFRED T. CARTON,
President.

In Memory of William A. Douglass

On the 13th day of February in the 1935th year of his Master, our beloved Secretary, fellow Manager, and friend, William A. Douglass, passed away peacefully in his sleep at Dunedin, Florida. It was the quiet departure of one who from his earliest years had been animated by deep and sincere religious conviction, and had ever lived the life of a Christian gentleman.

He was born August 16, 1852, at New York City, the son of Benjamin and Elizabeth Dun Douglass. His father in 1841 had established the firm of R. G. Dun & Co., now combined with its well known competitor Bradstreets as Dun & Bradstreet, Inc. Benjamin Douglass, a brilliant student of the Bible and the Hebrew language, retired from the business prior to the Civil War for the purpose of devoting himself to study and authorship in his avocation. The son graduated from Lafayette College in 1872 and entered the Union Theological Seminary. He left the Seminary after a year of study, not from any lack of personal faith or interest in the ministry, but in the belief that he was better suited to the life of a layman. He entered the firm, and in 1876 came with his father, who was obliged by the financial vicissitudes following the Civil War to reenter business, to Chicago where they took over the work of the firm in the Middle West.

Like his father, Mr. Douglass became and continued throughout his life a student of the Bible. They shaped their lives by its teachings. It is easy to understand, with such a background, the great reputation of Duns for nearly one hundred years as a source of reliable commercial and credit information. In its business, the Douglasses enjoyed the confidence of the builders of Chicago's commercial, financial and industrial institutions and were a power for good in the land.

Mr. Douglass became a member of the Board of Managers of this Hospital, and its Secretary, at the time of its organization in 1882. Prior to establishing his home at Oak Park in 1893, he was a member of the Session and Board of Trustees of the Fourth Presbyterian Church of Chicago. Thereafter to the time of his death he was a pillar of the First Presbyterian Church of Oak Park. He was always interested in the Young Men's Christian Association. His time and thought were ever at the command of his Church, the Association and this Hospital. In these later years we have always been able to look forward confidently to the presence of Mr. and Mrs. Douglass at gatherings of friends of the Presbytery and the Hospital. They have brightened our meetings and supported our work with wisdom and generosity. Meticulous in dress and deportment, Mr. Douglass yet radiated selfless ease of manner, humor and benignity.

Mr. Douglass married in 1888 Elise Kingman, of Auburndale, Massachusetts, who died in 1898. In 1913, he married Lillian Pollock McNutt, who with two children of the first marriage—Elizabeth, wife of Clyde E. Shorey, and Kingman—and one child of the second marriage—Benjamin—survive him. Mrs. Douglass and Mrs. Shorey are active members of our Woman's Board. To his wife and children we extend our sympathy in their bereavement and direct that a copy be sent of this brief tribute to his memory.

In Memory of William E. Sharp

In the passing of William E. Sharp, the Presbyterian Hospital, as well as many other institutions of the church that he loved, has lost a faithful and devoted friend, always wise in counsel and active in service. Never thruout the sixty-four years of his life, did he refuse to answer any call to serve the Kingdom to which as a lad he had dedicated himself. Whatever the denomination—whether Methodist, Congregational or Presbyterian—in all, his broad shoulders and willing heart ably carried all burdens rolled upon him.

Appointed to the Hospital Board in 1924, with great fidelity he served on two important committees, the Medical school and university, and the Nurses' Training School. After two years he was made chairman of the Standing Committee on the relations of the Hospital and Rush Medical College, and here he served until his death, wisely leading us thru most difficult and delicate negotiations.

His long experience with the Erie Railroad, with Armour and Company, and then with his own railway supply business, as President of the Grip Nut Company, peculiarly equipped him for executive leadership and enlightened counsel. His great head and bodily frame inspired confidence and his patient heart and sound mind in that sound body, never failed those who put their trust in him. In expressing our great loss, we would fain lighten the burden of sorrow that bows down the wife of his youth, and the children of their love.

The memory of the years of his devotion to the healing of the broken bodies of his fellow men thru the Hospital, will bind up the broken hearts of his family as it greatly comforts us in his loss.

ENDOWED NURSES

THE purpose of this Endowment is to take care of the very sick who, during critical periods of illness and especially following serious operations, need special nursing but who cannot afford to pay for such services.

These endowments are among the most valuable that we have because human lives are actually being saved by the devoted care of these nurses. More endowments of this character are badly needed. The cost of endowing a nurse is \$35,000.00, the interest of which pays the salary of a nurse. The endowments so far established are:

The Helen North Nurse.

The Gladys Foster Nurse.

The Ernest A. Hamill Nurse.

The Luella Pearson Molloy Nurse.

THE THIRTY SECOND (32nd) ANNUAL REPORT OF THE School of Nursing

Mr. President and Members of the Board of Managers:

The following is the report of the School of Nursing and of the Nursing Department of the hospital for the year 1934:

There has been in the school an average of 94 advanced students and of 25 in the preliminary six months period. The class room and clinic instruction, and all other activities have been carried through as outlined in detail in the Annual Announcement. The officers of administration and instruction have, in large part, remained unchanged.

To the usual affiliations for experience with other Chicago organizations has been added an elective in neurology and psychiatry at the Cook County Hospital, 3 of our students having spent a total of 261 days in these two departments. Of the other affiliations 41 students have spent 1,702 days at the Central Free Dispensary, where 211,813 patients passed through the clinics; 45 students spent 616 days at the Out-Obstetrical Department of Rush Medical College; 45 students 680 days with the Prenatal Clinic of Rush Medical College; 31 students 1,694 days at Chicago Municipal Disease Hospital; and 6 students 349 days with The Chicago Visiting Nurse Association.

The Infant Welfare Clinic in the Central Free Dispensary maintained by the Rush Medical College, which our students attend, has proved to be a valuable adjunct to the experience received in the Children's department of the hospital.

The Departments of Registration in the various States in which our Nurses are practicing, continually add requirements of preparation for the nurse, which should this school fail to meet, would prevent our graduates registering in those states. These demands and the recommendations recently published by the National Committee on the Grading of Schools of Nursing may necessitate still more affiliations for our students and it requires a constant self study to be assured that in no one point do we fall short.

An average of 67 advanced students have been on duty in the various departments of the Presbyterian Hospital. Supplementing the work of the student group in the hospital is that of an average of 65 bedside graduate nurses, which, with supervisors, instructors, and head nurses make an average total graduate nurse staff of 109.

The employment of a larger number of graduate nurses has meant much improved nursing for the patients of the hospital and an opportunity for better preparation of the students of the school.

The operating rooms have served 11,123 patients, an average of 36 daily as against 33 daily and a total of 10,105 patients in 1933, and have been carried by an average of 8 graduates and 12 student nurses. The twenty-four-hour service of the Maternity, its nurseries and delivery rooms have been cared for by an average of 6 graduates, 15 students; the first floor examining rooms, through which an average of 2,000 patients pass monthly, by 4 graduate nurses from 7 A.M. to 9 P.M.

A class of 63 preliminary students entered in September; 10 advanced students dropped out during the year; 50 were graduated, bringing the graduate

nurse body to date of December 31, 1934, up to 1,342. While scattered all over the United States and in other countries the loyalty of these graduates may be gauged by the fact that at the Annual Home Coming held November 10, every year from 1903 to 1934 was represented by the presence of one or more members. While a number of our graduates have married or given up active nursing for various causes it is known that: 332 are engaged in Institutional work; 104 in Public Health Nursing; 215 in Private Duty Nursing; 39 are living outside of the United States, some of these in active nursing in the mission field.

The great value of the endowed nurses to the patients and to all interested in them has been thoroughly tested. With the ever increasing research work and the advancing of medical and surgical procedures a larger number would be helpful, not only to the patients but to their attending men and to the hospital.

During the year the Helen North Nurse cared for 204 different patients and gave 250 days service; the Ernest A. Hamill Nurse 217 patients in 251 days; the Gladys Foster Nurse 187 patients in 251 nights; the Luella Pearson Molloy Nurse 222 patients in 230 nights, a total of 830 patients given detailed nursing.

Equally valuable is the service of those nurses maintained by special funds, the nurse supported by the T. Kenneth Boyd contribution having cared for 217 patients in 287 days and the nurse supported by the Luella Pearson Molloy surplus fund for 285 different people in 276 days, another total of 502 meaning a grand total of 1,332 patients who have had the highest type of skilled nursing. So great is the demand for these nurses that often it is difficult to decide which patients need them most.

A daily average of 52 graduate nurses have accomplished 18,968 days special duty in the hospital, an increase over last year of 8 nurses and of 3,125 days, while 42 more nurses have been sent by the hospital into private homes than in the previous year. As in the past years, we are again indebted to some of our graduates who have contributed service to patients needing but unable to pay for special nursing.

There has been lost from duty, on account of illness, 1,783 days by student nurses and 672 graduate nurses. A detailed report of all illness has been recorded and is on file in the School records.

The David W. Graham Fund for Educational purposes has been used to capacity, much needed reference books and a microscope having been purchased for the school with the current interest. Library equipment in the Sprague Home has also been aided by a gift of \$25.00 from Miss Winifred McLeod, a graduate of the school of the year 1907.

The precious Endowment Fund of the School remains practically stationary, \$61,913.40, the interest of the Fund for the past several years having been used to help carry the expenses of the School. The urge to keep up our standards, to introduce more cultural subjects, to carry through reorganization following the change from two to one yearly class, all emphasize the value of endowment. We are hoping that some good and interested fairy may see to it that before long it may be largely increased.

The need for additional class rooms and sitting rooms in the nurses home is quite pronounced, emphasized by the increased nursing staff necessitated by a return to normal hospital conditions.

This year, as always, there are many people to whom we are grateful and wish to return thanks. The Woman's Board has carried three scholarships and

five loans. The School Committee of the Woman's Board has shown its interest in many ways, at the time of graduation and on all festive occasions and has been instrumental in securing again the services of Mr. Robert Birch for a group of students interested in music, and disappointed that the Florence Nightingale Chorus had been discontinued. We are indebted to Mr. Carton and to other members of the Board of Managers for a gift of ten books for the 44th season of the Chicago Sympathy, a contribution which has given much pleasure each week, and those fortunate enough to receive tickets consider themselves privileged. We wish to thank members of the Woman's Board and other friends for opera and concert tickets; Mrs. Frederick T. Haskell, for brightening the reception room in the Sprague Home with attractive chairs and curtains and also the 1934 graduating class for a chair and table for the same room. To Mrs. Ernest A. Hamill for her customary generous donation of \$200.00 for Christmas activities at the Home, we are most grateful and to Mr. John P. Welling for financing a repeat course of lectures on "Social Usage," which in the past was found helpful. To those members of the medical staff who have lectured or given professional assistance and for other kindly interest in the School, we return best thanks. To Dr. L. C. Gatewood and to Dr. Edwin L. Miller, both of whom have given almost continuous professional care to members of our household, we express our appreciation, as also to Mr. Bacon and all members of the hospital personnel for their co-operation and understanding.

Respectfully submitted,

M. H. McMILLAN,
*Director, School of Nursing and
Superintendent of Nurses.*

JANUARY 7th, 1935

The report of the Recording Secretary for the fifty-first annual meeting shows an enrollment of 221, including pastor's wives, honorary and non-resident members. There are 37 churches represented.

There have been nine regular meetings with an average attendance of 81.5. There were thirteen who were present at every meeting. They were Mrs. Frederick R. Baird, Mrs. Edward L. Beatie, Mrs. Earle B. Fowler, Mrs. Frederick T. Haskell, Mrs. Ernest E. Irons, Mrs. Alva A. Knight, Miss Elizabeth E. Maltman, Mrs. John P. Mentzer, Mrs. Clyde E. Shorey, Mrs. Arthur D. Terrell, Mrs. Gordon B. Wheeler, Mrs. W. D. Williams, Mrs. Lindsay T. Woodcock.

Twelve new members have been accepted and there have been eleven resignations.

The Board has suffered in the loss by death of two of its members, Mrs. Charles L. Bartlett of the non-resident membership and Miss Frances D. Gould, an honorary member.

Respectfully submitted,

(Mrs. C. E.) ELIZABETH D. SHOREY,

Recording Secretary.

March 23, 1935

To the Board of Managers of
The Presbyterian Hospital of the City of Chicago,
Chicago.

Dears Sirs :

As requested, we have examined the accounts and records of the Woman's Board of the Presbyterian Hospital for the year ended December 31, 1934, and have prepared therefrom the attached statement of cash receipts and disbursements, and transactions in securities.

We examined all canceled checks submitted in support of cash disbursements and found them correctly recorded in the books. Income from securities was duly accounted for.

We verified the cash balance at December 31, 1934, by reconciliation with the balance confirmed direct to us by the depository. Investment securities were confirmed to us by the Trustee.

Yours faithfully,

ARTHUR YOUNG & CO
